WELCOME

On behalf of the Windsor Park Equestrian Club (WPEC) Committee, welcome to the 2026 season! Whether you are a returning competitor, a newcomer to WPEC, or a dedicated volunteer, we are delighted to have you as part of our Club.

At WPEC, we take immense pride in fostering a welcoming, inclusive, and competitive environment for all, while upholding the highest standards of sportsmanship and horse welfare. This year, we continue our commitment to well-organised events, a strong sense of camaraderie, and, most importantly, a safe and enjoyable experience for both horses and drivers.

Horse welfare remains at the heart of everything we do, and we are always happy to accommodate individual needs to help ensure your equine has a positive experience with us.

A rule change from last year which is continuing this year is the requirement for **hard hats to be worn at all times while riding or on a carriage**. This applies to drivers, grooms, passengers, and includes warming up, training, and the pleasure drive.

We would also like to point attention to our **Code of Conduct**, introducing the **WINDSOR principles**, which set clear expectations for all members. You can find more details later in this document.

With a full calendar of competitions—including the flexibility to compete in single phases as well as full events, gateway, pleasure drive, and small equine classes—plus training opportunities and social activities, there is something for everyone to enjoy. We extend our gratitude to **The Crown Estate** for their continued support in allowing us to host our events within the stunning setting of Windsor Great Park.

As always, **safety and fairness remain at the heart of everything we do**. I encourage all participants to familiarise themselves with the rules and schedules outlined in this document to help ensure smooth and enjoyable competitions throughout the season. The committee and event organisers, officials and volunteers put a great deal of effort into ensuring the health and safety of everyone present on competition days. However, this can only be effective if **everyone plays their part in preventing accidents**. Please follow all instructions given by the organisers, event officials, or stewards. Our committee, officials, and volunteers are always available to assist or answer any queries you have.

Thank you for being part of WPEC in 2026. We look forward to an exciting season ahead and wish you all the best in your equestrian pursuits.

Dick Lane

Chairman, Windsor Park Equestrian Club

Competition

TREC Presentation – A mark out of 10 is given for the pony, harness, driver and groom and finally the carriage. 10 being the most perfect and 0 being the worst score. The total marks for all 40 presentation sections are added together and subtracted from 40 to give the total number of penalties for the presentation phase.

Competitors will be asked to report to the designated area for the presentation prior to undertaking the skills or the cones.

Competitors will then progress directly to the skills

Skills – Competitors will undertake a minimum of 5 skills chosen at random for the event. Skills will change between events and will not be consistently the same.

Each skill will be marked and converted to penalties, to be added to the presentation score.

Skills are untimed and will be judged on how the task is tackled, how the animal reacts ie: stands motionless when required or points will be deducted. Also, how skilful the driver is in completing the task.

Competitors will then progress directly to the Cones.

Cones – the course will be available for walking from Saturday late afternoon.

It is highly recommended that you walk the cones course prior to starting your competition. Do not leave your turnout without a competent driver and groom(s) if you walk the cones after putting to.

The cones course will be up to 15 sets of cones which may consist of multiple elements, this is an optimum time competition with faults awarded for time above and beneath the optimum time.

Optimum time will be calculated at 180mpm. The course is to be driven in walk and/or trot. No cantering is permitted.

In addition, 3 faults will be added for any ball dislodged, and 10 penalties will be added for any deviation from the correct course. The aim of the competition is to be fun, and we are not there to attempt to eliminate anyone.

SOCIAL LICENCE TO OPERATE STATEMENT

Windsor Park Equestrian Club (WPEC) is committed to upholding the highest standards of equestrian sport, ensuring that our actions align with the expectations of both our members and the wider community. Social Licence to Operate (SLO) is the ongoing acceptance of our sport by the public, and it is our collective responsibility to protect and enhance the reputation of equestrianism at all times.

Public Perception and Our Duty as Role Models

Equestrian sport is under increasing public scrutiny, and as participants, we must demonstrate integrity, respect, and responsibility in all aspects of our involvement. Every rider, driver, groom, helper, official, steward, volunteer, and spectator at WPEC is an ambassador for our sport. Whether competing, training, or supporting others, we must always conduct ourselves with professionalism and courtesy. Our behaviour directly impacts how equestrian sport and the Club is perceived and whether it maintains public trust and support.

Portraying the sport and Club in the Best Light

To preserve the reputation of WPEC and carriage driving we expect anyone attending a WPEC hosted event to adhere to the highest standards of sportsmanship and our Code of Conduct. This includes treating fellow competitors, officials, and the public with respect, maintaining a positive and supportive environment, and ensuring that all communication—whether in person or on social media—reflects well on the club and the sport. Any actions that bring the sport or the club into disrepute will not be tolerated.

Code of Conduct

Our Code of Conduct is designed to ensure fairness, respect, and safety for all involved. We expect all participants to compete and conduct themselves with integrity, demonstrating good horsemanship and sportsmanship at all times. Any breaches of these principles undermine our SLO and will be addressed accordingly.

Horse Welfare

Horse welfare is paramount. We follow and wholly support the British Equestrian Federation (BEF) and British Carriage Driving (BC) Charter of the Horse. Horses must always be treated with kindness, care, and respect, and their wellbeing must never be compromised for competitive gain. Training methods, equipment, and handling must align with best practices for equine welfare.

Enforcement of SLO Principles

Windsor Park Equestrian Club reserves the right to take action against individuals who fail to uphold these standards. Any competitor, member, or visitor whose behaviour is deemed to be in breach of SLO principles—including disrespectful conduct, horse welfare violations, or actions that damage the club's reputation—may be disqualified and asked to leave the venue at the discretion of the General Committee or appointed officials.

By working together to uphold these values, we ensure that Windsor Park Equestrian Club remains a respected and thriving institution, championing the highest standards of equestrian sport and horsemanship for generations to come.

We are committed to providing a welcoming environment where every individual's rights, dignity, and worth are respected. We firmly believe that everyone should enjoy their sport without the threat of intimidation, victimisation, harassment, or abuse

We are committed to sports equality and strive to take positive steps to address any barriers—whether physical, cultural, or perceived—that may hinder access to participation in our Club and related activities. WPEC will actively support initiatives and measures that facilitate greater access to our sport for under-represented groups and individuals facing barriers to participation.

To promote equality and inclusion within our Club, the following steps will be implemented:

- We will collaborate with surveys or initiatives designed to assess participation levels and ensure that the sport is accessible to all.
- All members, competitors, officials, volunteers and committee members will be required to support and act in accordance with this policy and to promote sports equality.

The General Committee of WPEC considers all forms of discriminatory behaviour unacceptable. Any member, volunteer, competitor, official, or committee member who believes they have been subjected to discriminatory behaviour is encouraged to raise the issue with our Safety and Safeguarding Lead.

Should any member or volunteer violate this policy, appropriate disciplinary action will be taken. We will also fully cooperate with any investigations conducted by relevant authorities in cases of unlawful discrimination or harassment.

Failure to adhere to our Equality, Diversity and Inclusion policies and procedures may result in suspension or exclusion from the Club and its activities.
